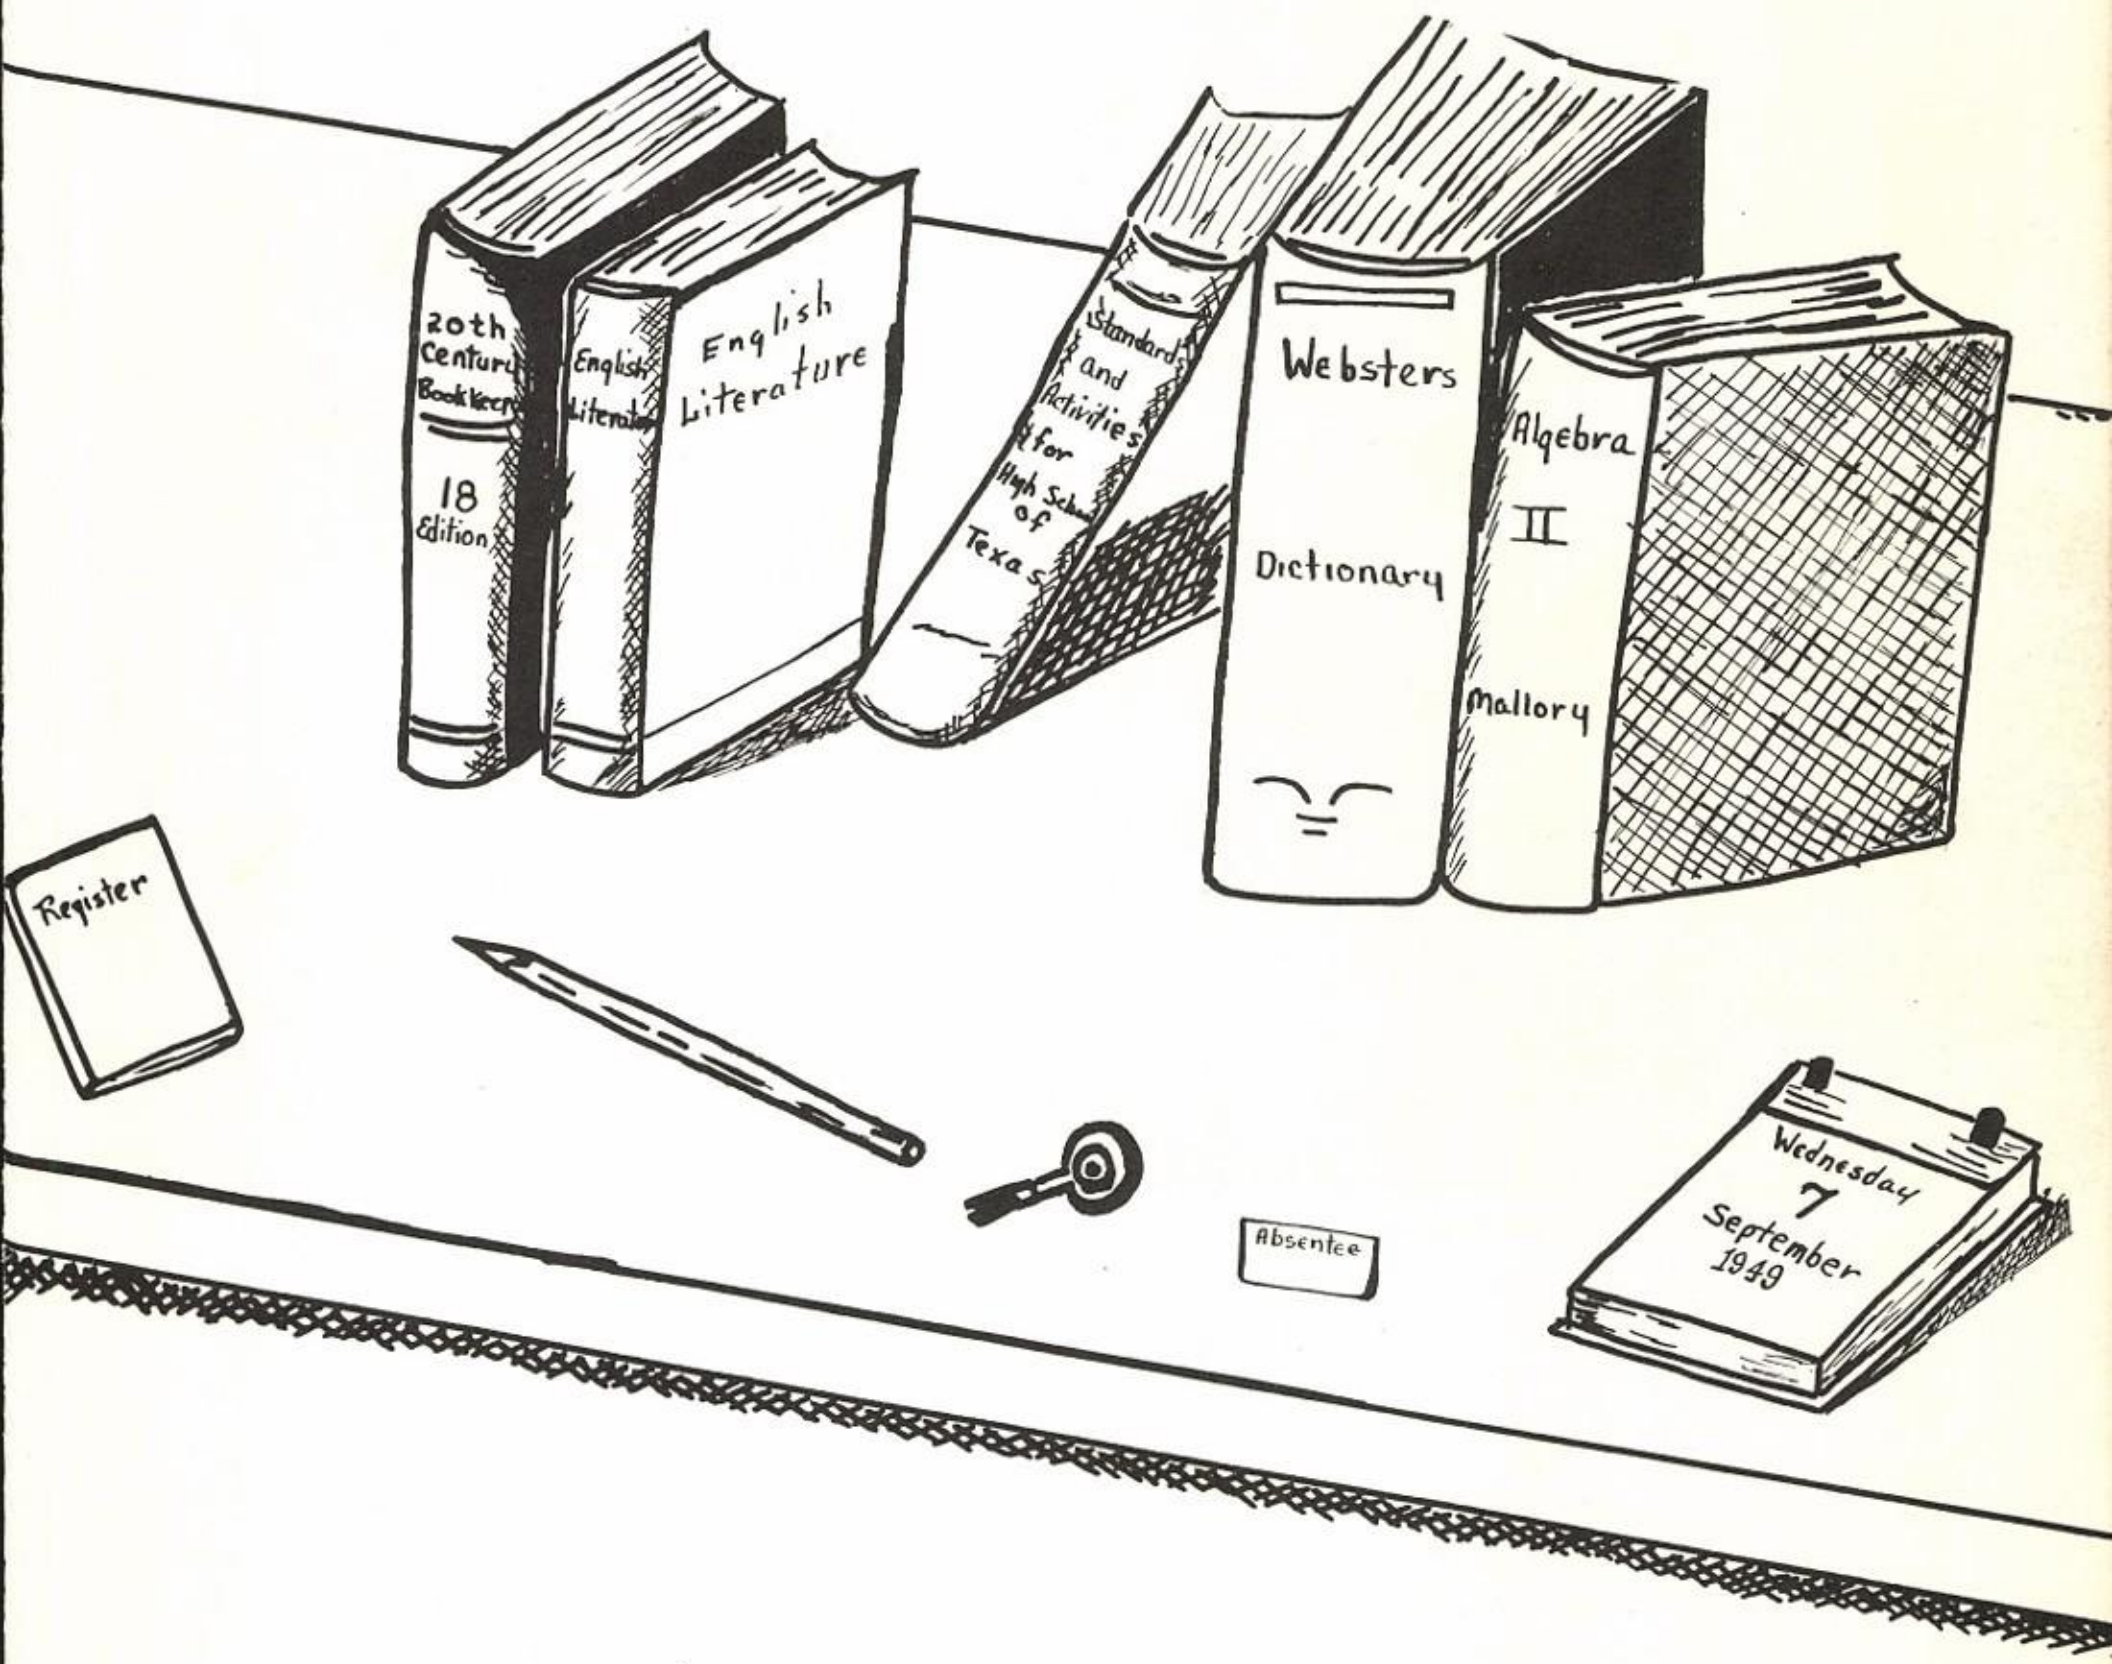
Presents for your enjoyment the 1950 Memoir.
Recording the Events Pictorially of one year
1949-50

Dedication

We, the Senior Class of 1949-50, do dedicate 'THE MEMOIR' to our room mothers, Mrs. Juanita Witherspoon and Mrs. Helen Green, who through untiring and unselfish effort have greatly enriched our social education. To their loyalty and friendship, we dedicate this annual. The room mothers of the Senior Class will long be remembered in loving respect in the years to come.



Administration

Superintendent

The Superintendent of any public school stands foremost as the school's primary leader and citizen. Ferris High School is indeed fortunate in having in this capacity such a man of learned qualities and so well versed in school matters. For he is one who can successfully cope with the many angles of the business of training useful citizens. Mr. Lewis ranks high in the necessary potentialities for this difficult job of Superintendent of a public school.

Mrs. Lewis
and
Jan - Jeff

Principal

To our principal, we, the Senior Class of 1949-50, do pay homage and respect to our kind friend and instructor in citizenship as well as academic affairs. The Ferris High School should be proud and most grateful to have such a capable principal in this particular capacity.
